CARRIED BY ABSOLUTE MAJORITY 7/0

PURPOSE

The purpose of this report is to present to the Audit and Risk Committee the 2023-2024 Annual Report, Audit Report and Audited Financial Statements with the recommendation for Council adoption and to set the meeting time and date of the annual electors' meeting.

DETAIL

Council has an obligation under the Local Government Act 1995 to prepare an Annual Report which includes audited financial statements. The 2023-2024 audit has been completed by the Office of the Auditor General contractor Nexia. The audit findings and financial statements are presented in the 2023-2024 Annual Report - *Attachment 1*.

As required by the Local Government Act 1995 the Local Government is required to present the report to an Annual Electors Meeting within 56 days of accepting the Annual Report by Council, giving at least 14 days' public notice. The Shire will advertise the meeting and the availability of the 2023-2024 Annual Report on the Shire Website, noticeboards and other local communication channels.

In order to reduce the meeting burden upon Councillors it is proposed that the date for the February council meeting coincide with the electors meeting.

The Annual Report and Audited Financial Statements includes:

- Shire President's Report
- Chief Executive Officer's Report
- Statutory Reports
- Freedom of Information Statement
- Audited Financial Statements
- Audit Report

The reports outline activities undertaken during 2023-2024 together with the financial position of the Shire of Morawa as at 30 June 2024.

The Audit exit meeting was held on 29 November 2024 with Cr Karen Chappel, A/CEO Jackie Hawkins, Suraj Karki from the OAG, Marcia Johnson from Armada. The final reports are now presented to the Audit Risk Committee to review and receive the financial statements as audited.

4. Direct the CEO to respond to K&S with the application outcome, noting that should they continue to require RAV 4.3 Tandem Drive Network access for their proposed route, that an application be made to Main Roads WA for further assessment.

CARRIED BY SIMPLE MAJORITY 7/0

PURPOSE

K&S Energy is seeking approval for a Road Access Vehicle (RAV) 4.3 Tandem Drive Network Permit for the period 18 December 2024 to 30 November 2025 to operate heavy vehicle combinations of up to 27.5 metres on Morawa-Yalgoo Road, Fallon Road, Munckton Road, Mungada Road and Koolanooka Springs Road. Under Main Roads Western Australia (MRWA) RAV networks conditions, there is a need for road users to seek approval road owner approval to travel on roads controlled by the Shire of Morawa.

DETAIL

K&S Energy is seeking the permission to travel on Shire roads to enable efficient servicing of the Blue Hills mine in Rothsay. The proposed route from Perth to the mine traverses 5 Shire of Morawa controlled roads - Morawa-Yalgoo Road, Fallon Road, Munckton Road, Mungada Road and Koolanooka Springs Road.

While Morawa-Yalgoo Road and Munckton Road are designated conditional RAV 4.3 Tandem Drive Network roads, Fallon Road, Mungada Road and Koolanooka Springs Road are only classified as 4.1 Tandem Drive Network roads.

Therefore, it is recommended that Council approve access for the proposed K&S Energy transport route under a 4.1 Tandem Drive Network Permit. Administration further recommends that K&S Energy be advised that should they wish to proceed with seeking a 4.3 Tandem Drive Network Permit for Fallon Road, Mungada Road and Koolanooka Springs Road, that an application be lodged with MRWA.

Main Roads WA 4.1 Tandem Drive Network conditions for the requested roads are as noted in the Officer's Recommendations above.

CARRIED BY SIMPLE MAJORITY 7/0

PURPOSE

Under Section 2.7 of the Local Government Act 1995, Council has adopted several policies to govern Local Government affairs. It is good practice to continually review the existing policies in view of changing legislation, operations, and requirements.

DETAIL

The Policy Manual is intended as a set of clear overarching directions from Council to the administration to govern the consistent, transparent, and compliant management of Shire operations. The policies and procedures may be changed as circumstances dictate and be amended at any time by Council.

Several policies within the manual have fallen due for renewal. It was therefore seen as practical and efficient to undertake a review of numerous policies but given resource constraints, the administration has broken the review into stages.

- Stage 1 was completed and adopted at the 20 July 2023 Ordinary Council Meeting.
- Stage 2 was completed and adopted at the December 2023 Ordinary Council Meeting.
- Stage 3 was completed and adopted at the March 2024 Ordinary Council Meeting.
- Stage 4 was completed and adopted at the November 2024 Ordinary Council Meeting

As part of the Stage 4 review, former policy EMP11 Gratuity Payments to Finishing Employees was recommended to be replaced by new EMP11 Payments to Employees in Addition to Contract of Award. The proposed changes seek to recognise employees for their long and continuous service in addition to recognising employees on finishing their employment with the Shire. Unfortunately, the new policy was not included in the resolution or as an attachment in the November OCM and is now included in this report.

In Stage 5 of the review, 28 policies have been reviewed. For the majority of policies no changes are proposed. There a number with minor changes suggested due to minor formatting changes or minor grammatical amendments apart from the following:

1. FIN01 Significant Accounting Policies is recommended for deletion. Material Accounting Policies are included Annual Budget adopted by Council each year and are also included in the Annual Financial Report in accordance with Accounting Standard AASB 108.5. Having a separate Council Policy is not considered necessary.
2. FIN02 Investment Policy is recommended for minor review. In 2017 the Local Government (Financial Management) Regulations 1996 were amended to extend the investment horizon for term deposits from less than 12 months to less than 3 years. It is also recommended the restriction on investments be amended to include:
 - a. The Western Australian Treasury Corporation established by the Western Australian Treasury Corporation Act 1986.
 - b. Bonds that are guaranteed by the Commonwealth or a State or Territory and which have a term not exceeding three years.
3. Local Planning Policies

The Council has a number of planning policies. On review, it is recommended these policies become Local Planning Policies.

A Council adopted policy is a policy formally approved and adopted by a local government to guide its actions or operations across a broad range of functions. While these policies are adopted by the local government, they are not legally binding in the same way as a local planning policy or statutory regulations.

Local planning policies are prepared by the Administration and adopted by Council under statutory procedures set out under the Planning and Development (Local Planning Schemes) Regulations 2015. Local Planning Policies are part of the local government's planning framework and are required to be consistent with the local planning scheme (which is a statutory document). While not legally enforceable in the same way as the scheme, they still hold significant weight in planning decision-making. Development proposals that don't comply with the LPP may face delays or rejections unless a valid justification is provided.

The Council has the following planning policies that are recommended to be advertised as draft local planning policies in accordance with the provisions of the Planning and Development (Local Planning Schemes) Regulations 2015.

- a. LPB01 – Application for Planning Consent
- b. LPB02 – Dog Kennels/Dog Keeping
- c. LPB03 – Heritage Colours – Solomon Street and Winfield Street
- d. LPB04 – Rural Subdivision
- e. LBP05 – Caravan and Annexes Standards
- f. LPB06 – Shipping Containers Local Planning Policy
- g. LPB07 – Trading in Public Places Policy for Food Vendors

It is proposed to advertise each of these as Draft Local Planning Policies for a period of 21 days and report back to Council on any submissions received. Subject to consideration of any feedback received during the consultation period, the draft local planning policies may be amended. Final versions of the local planning policies will then be submitted Council for consideration and adoption.

The table below summarises key review points.

Council Policy	Reason for Review/Change
ENG01 – Temporary Closure of Roads	No changes proposed.
ENG02 – Bush Fire Policy	Minor changes to reflect current status of brigades. Also minor formatting changes.
ENG03 – Asset Management Policy	Minor change to update Strategic Community Plan review in 2022.
ENG04 – Road Management Policy	No changes proposed
FIN01 – Significant Accounting Policy	Recommend deletion of this policy. Material Accounting Policies are incorporated into the Annual Budget adopted by Council each year and the Annual Financial Report. It is not necessary to have a separate Council Policy.
FIN02 – Investment Policy	Minor changes recommended to extend term of investments from less than 12 months to less than 3 years
FIN04 – Purchasing Policy	Minor change to remove reference to Local Supplier Market established by WALGA in response to COVID-19 as this is no longer relevant. Also removing COVID-19 as an exemption to the policy as this is no longer relevant. Minor formatting changes to “Public Tender” are proposed
FIN05 – Debtors Management - General	No changes proposed
FIN06 – Related Party Disclosures	Minor formatting changes proposed.
